PRE-LAUNCH OPPORTUNITY FOR A QUALIFIED INDIVIDUAL

Introduction

Vtex Communications, LLC is a newly established global video-conferencing and communications service provider that has a state-of-the-art communications service network. We are offering end users, consumers and any dedicated, determined and spirited individuals to be a part of our ground floor opportunity.

We are a young Company with more than 100 years of collective business experience in Sales, Marketing, Management and more importantly, Technology. With a unique and exciting perspective on our proprietary video-conferencing services, we are now poised to make you a part of an upcoming Billion Dollar Company with a plan of becoming a Publicly-traded Company by next year.

Vision

Our vision is to revolutionize the way businesses, corporations and other institutions conduct their meetings by showing our communication services online LIVE 24/7 WORLDWIDE. We're also encouraging all individuals who are in business to eliminate the telephone conference completely which is used always in communicating with their own people or clients by introducing a more innovative and sophisticated state-of-the-art video-conference technology called **KonX** (pronounced as "**Connects**").

Mission

Our mission is to help businesses, universities and other institutions increase their productivity and reduce their overhead costs by saving them money on gas, airfare, and hotel accommodations and most importantly, time. As you know, "Time is Money". Skip the freeways and use KonX to improve the environment.

Solution

KonX is the only video-conferencing service that offers a complete solution to individuals and businesses alike, whether for a straightforward video conferencing, LIVE product presentation or a full-scale Company meeting at a very minimal price.

Executive Profile:

Ola B. Madsen - President of Sales/Marketing - Dr. Ola B. Madsen is a much sought-after leadership, management speaker and trainer. He worked with & shared center-stage with the likes of Tom Peters, Dennis Waitley and Ken Blanchard. He has consulted and conducted in-house seminars for many Fortune 500 companies in the U.S., Europe, Asia and the Caribbean, including youth organizations. A highly successful entrepreneur in the direct selling industry, he became president of a company at the age of 24 and was able to comfortably retire at the age of 30. He earned his Ph.D. in Organizational Behavior and Masters in Theology and Divinity. As a corporate executive, he was responsible for the success of two network-marketing companies in the global arena.

Holmes Stoner - Vice-President of Sales/Marketing - Mr. Stoner is a veteran marketing and sales management professional. His other sales and marketing programs led to the expansion of the international markets throughout the world in multi-media applications. He has been lecturing and giving workshops and seminars internationally for over 15 years. He is recognized as an international trade expert in many business and government circles in the Pacific Rim Trade Arena. He has spent the last ten years as Founder and Chairman of the Pacific Rim Chamber of Commerce and the American International Chamber of Commerce.

Roy George – Technical Director – Mr. Roy George has experiences in producing TV shows with a background in multimedia. He is a Programmer/Analyst by major. As a Technical Director for **Vtex Communications, LLC**, he supervises our R&D functions consistent with the Advanced Communications Solutions and Global Communications Solutions to customers worldwide. He identifies the specific communications needs, develops strategic direction, and creates/executes implementation strategy for the business and entertainment industry area.

Company Overview

Vtex Communications, LLC. has developed the world's best video-conferencing, user-friendly platform called KonX (pronounced as “Connects”) for business-to-business communications, distance learning, online training, company meetings and outbound marketing events.
